Private session on location or in studio, although the outdoors provide a natural backdrop and work especially well for large families. Your session will last up to 2 hours. For groupings of over 10 people please plan for up to 3 hours and an additional \$50.00 charge. Session fees are for time and talent only, and do not include digital images or proofs, although, you will receive a FREE 8x12 finished print of your choice! (Clothing can play an important part in any successful portrait, please try to think simple. I suggest trying to avoid wearing any large logos or prints on your clothing. If more than one person is being photographed, try to have everyone dressed similarly, or coordinating.)
